

Stuart Stone, Desira

Desira are a multi-franchise dealership with sites throughout East Anglia and in London. Larking Gowen have been our auditors since 2009 and since then have provided us with additional services including the valuation of, and how to account for, a new share option scheme as well as tax planning advice and systems reviews.

We chose Larking Gowen for their professional service and competitive pricing. We feel we have received excellent advice through the years and really value the personal relationship we have developed through regular meetings.

Stebbings Car Centre Limited

Founded in 1976, Stebbings Car Centre Limited has become one of the most respected and successful Car Supermarkets in the UK recently opening our latest site in Norwich. We chose Larking Gowen to be our auditors and business advisors because of the depth of their technical and practical experience in helping growing businesses like us achieve our business goals.

We have developed a close working relationship with the team at Larking Gowen who are always on hand to assist us with any queries or opportunities which arise big or small, providing us with peace of mind and guiding us through the technicalities and potential pitfalls.

Richard Coller, Pertwee & Back Ltd

Larking Gowen have been our key business advisor for over 30 years. They really take the time to understand us and our business. I know that they are on hand when I need them. They not only take away the stress and burden of Government red tape, so I can get on with running the business, but they are always there offering advice just when its needed.
